CHINESE USES KNIFE TO ATTACK COUNTRYMAN

Lu Ho was arrested and locked up at the police station at six o'clock last night on the charge of attacking Tong Sun Hai with a knife. Tong Sun Hai received several slight flesh wounds but was able to go home. The assault occurred on Hotel street.

EWA BEATS ESTIMATE BY 2000 TONS SUGAR

Ewa Plantation Co.'s mill will finish grinding the 1912 crop next week. The output of sugar will be about 32,000 tons, against the estimate of 30,000 tons in the beginning.

SAILORS FIGHT WITH KNIVES ON WATERFRONT

Two sailors of the ship Hackfeld stabbed and seriously wounded each other as the result of an argument which occurred on the waterfront at 10 o'clock yesterday evening. They were taken to the Queen's Hospital.

HILO BANKING.

The First Trust Co. of Hilo, Ltd., shows resources and liabilities \$95,055.56 each, and loans \$71,468.24.

LOW SCORES

(Continued from Page 2)

or 59 per cent. Is any one so stupid as to believe that the Rapid Transit & Land Co., controlled by the Castle Estate is not going to favor Mr. J. B. Castle? If there is, the old adage, "That blood is thicker than water," finds no favor with such a person.

The Franchise Agreement.
"Again does it not come with very poor grace from the Honolulu Rapid Transit & Land Co. to play the part of injured innocence in this matter. This community has given a very valuable franchise to that company and one of the conditions upon which it was granted is that the company should pave the streets between the rails and to a distance of one foot outside thereof. That such paving or macadamizing shall be flush with the streets, and must correspond with the paving or macadamizing of the remaining portion of said streets." The Rapid Transit & Land Co. has deliberately, I might almost say maliciously refused to comply with this provision as every person who uses the streets in Honolulu knows only too well. The condition of the streets between the rails of the Rapid Transit & Land Co. is atrocious. For instance the crossing at King and Alapai streets where the County has just repaired the street and put it in good condition, is a disgrace to the city, and a menace to every vehicle that passes over it.

Supreme Court Decision.
"This corporation which is making large profits out of the people of this country refused to comply with this plain provision of the law and appealed to the Supreme Court of the Territory where it was promptly and righteously sat upon, being told in effect to do their duty under their franchise to the people of this city, but still it stubbornly refuses to do so taking advantage of a mere legal quibble, as I am informed, threatens to appeal, if they have not already appealed to the Supreme Court at Washington, where in the ordinary course of things a decision will not be rendered for a number of years.

"Is it not time for the authorities to take steps to forfeit this franchise under which he corporation is run in such flagrant disregard of the rights of the people? The provision of the law is plain. Page 405, Section 870. Forfeiture of Franchise: "Whenever the said association refuses to do or fails to do or perform or carry or comply with any act, matter or thing requisite or required to be done under the provision of this chapter and shall continue so to refuse or fail to do or perform or carry out or comply therewith, the Superintendent of Public Works shall with the consent of the Governor cause proceedings to be instituted before the proper tribunal to have the franchise granted by this chapter and all rights and privileges granted hereunder, forfeited and declared null and void."

"This Board has probably gone beyond its powers in trying to reach an amicable arrangement with the Company, but nothing can be accomplished with this grasping corporation. We have given the Rapid Transit & Land Co. the right to pave between the rails with Lava rock, blocks, which to my way of thinking is unlawful, as the authority is not vested in us to grant such power. It is not in the power of the Board to designate the class of pavement to be laid between the rails. As stated above in Section 838, Paragraph 9, "The pavement must correspond with the pavement of the remaining portion of said street."

"Is this city going to suffer the fate of so many other cities that have been strangled in the grasp of remorseless and greedy public service corporations? Let graft whether it be disguised by family compact or in whatever form it may appear be frowned down and as long as I am Supervisor I shall do my best to stamp it out.

The Supervisors have let all contracts for paving according to law under the decision of our Supreme Court, and after most careful consideration in each case. If Mr. J. B. Castle has not had a chance to bid it was because after getting from him the cost of his ohia block paving, it was so expensive that the city cannot afford to have it."

EBEN P. LOW.

ODDS AND ENDS AT THE PORT

Preserved pineapples were a factor in the cargo taken to the coast today in the Oceanic liner Sierra.

To load lumber for Australia, the British steamship Kallig which sailed from Honolulu on July 18th arrived at Eureka today.

Freight for windward Kauai ports is being loaded into the steamer Noguea, now on the berth to sail for the Garden Island at five o'clock Monday evening.

With a general cargo for the Hawaiian Islands, the Matson Navigation steamer Hyades is reported to have sailed from San Francisco for Honolulu by way of Seattle.

The noon hour departure of the Sierra for San Francisco resulted in a much larger crowd gathering at the wharf than on former occasions when the popular liner was leaving for the coast at ten o'clock in the morning.

A good sized list of passengers has been booked for Hilo in the steamer Mauna Kea, to sail for the Big Island, now on the berth to sail for the Garden Island at five o'clock Monday evening.

No freight intended for shipment to Hilo in the Mauna Kea was received after the noon hour today.

For news and the truth about it, all people buy the Star-Bulletin.

Brown Plans To Open Moose To Hawaiians

C. H. BROWN, PAST DICTATOR OF LOYAL ORDER OF MOOSE
Past Dictator Will Attend Big Convention With End in View

Hawaiians will be eligible to membership in the Loyal Order of Moose if the local chapter manages to obtain the sanction of the convention to the proposition which will be presented to the Kansas City Convention for approval by C. H. Brown, past Dictator. He leaves for the Coast on the steamer China to attend the Moose convention which will meet at Kansas City August 19-23.

HAWAIIAN HEIRESS WHO IS WEDDED

MRS. HENRY GILLIARD SMART

(Continued from Page 1)

to the happy couple, after which dancing followed until the early hours of the morning.

Mr. and Mrs. Smart left quietly in an automobile for the Volcano House, where they will spend their honeymoon.

Many beautiful gowns were worn at the wedding. The bride's mother, Mrs. Fred Knight, wore a yellow charmeuse, trimmed with Irish crochet velvet and pearl trimmings and wore diamonds and pearls. Mrs. Frank Woods looked magnificent in a canary-colored brocade satin, embroidered in gold and pearls, and trimmed with rare old rose point lace. In her hair she wore a rose charmeuse, and the whole bodice was of rose point lace with long panels in the back of the same, rare lace reaching to the top of the train, an heirloom from her mother, Princess Kalaniana'ole wore a superb gown of heliotrope chiffon, embroidered in black pearls and gold and her jewelry was of rare old gold. Mrs. S. Molyneux Worthington, sister of the bride's mother, and beautiful at all times, wore white marquisette over

satin, trimmed with gold lace and marabout. Her ornaments were diamonds. She charmed everyone with her beautiful singing, accompanying herself on the piano.

The gowns worn by all the members of the family and friends were striking and the wedding gifts were numerous and costly. The cowboys gave her a handsome solid silver punchbowl, and Mr. Alfred Carter a handsome silver tea service. Her mother gave all the flat silver.

Waimea village is crowded by hundreds who came to attend the ceremony and the accompanying festivities. At Sam Parker Jr.'s home are Colonel Parker, Mrs. Frank Woods, Prince and Princess Kalaniana'ole, Mrs. Carl Widemann, Mr. Robert McCriston, the groomsmen, and Horn Baker. All of the homes received guests, and Miss Parker's house was filled, mostly with her mother's people.

When the average man is polite to his wife in public she is apt to look surprised.

Perhaps it might be well to look on the dark side of things once in awhile to rest our eyes from the glare.

Maintaining A Standard

There are different makes of clothes on the market, but we know that the BENJAMIN are the best, and that they maintain the standard for high-class clothing. BENJAMIN clothes rank first among them. We never had a single complaint about this make of men's clothes, and when a man once wears a BENJAMIN he becomes a permanent customer.

Simplex BEDS
ARE ABSOLUTELY SANITARY
Guaranteed 50 Years

The Simplex patented all-steel corner lock is so simple and plain in construction that it adds many times to the sanitary features over the old method of bed construction. The Simplex is an all-steel childless bed, very simple in design and very substantial. It is to be had in all of the approved plain and combination color finishes. The castors are ball-bearing with pressed steel wheels. The all-steel corner lock, however, is our strong claim for your consideration, for it makes a stronger, better, lighter and more sanitary bed. It is such a strong claim to superiority that we patented this device.
